

Lead Hazard Reduction- Home Improvement Program

- Do you have a child under the age of 6?
 - Do you live in **Summit**?
 - Was your home built before 1978?

The Cook County Department of Public Health (CCDPH) and the Department of Housing and Urban Development (HUD) are working together to inspect homes and fix lead paint hazards in homes in your area.

A family may qualify for this program if their income is below the program limit and if lead hazards are found in their home. If lead hazards are found in your home, CCDPH will work with a licensed contractor to your fix the hazards, at no cost to you. Work that is typically done to fix lead hazards include: painting, replacing windows, or other home repair work to remove lead paint.

Enroll today to have lead paint hazards removed from your home and protect your family.

Income limits are:
